42. Cyril Cunningham Nature Reserve

Warning:
The routes shown are approximate only. Go carefully on wilderness trails. Let people know your plans, wear appropriate gear, and be prepared for emergency situations.

Some connector trails shown go through private land. The owners have an agreement with PARC granting a statutory right-of-way. PARC then maintains the trail and carries liability insurance. Telephone 250-537-4448 for more information about such agreements.
